## Sumptuous 28 Day Aged Beef

---

Sourced locally from Clarkes Meats of Huddersfield, we firmly believe our beef is second to none, a perfect addition to your Christmas table.

*All of our beef is aged for a minimum of 28 days to enhance the flavour and tenderness.*

*This year's offerings:*

- **Beef Sirloin Joint**

*Succulent & tender with the correct covering of fat.*

- **Rib of Beef**

*A centre piece in itself with marbling that runs through the meat, melting as it cooks & leaving your guests wanting more. Our Head Butcher's go-to piece of meat for this year's Christmas!*

- **Fillet of Beef**

*Another fine cut of meat whether it be for a Wellington or straight out steaks. Always a showstopper and guaranteed to be tender.*

- **Roasting Beef**

*A perfect cut of meat to add to your Christmas table or use as cold cuts on Boxing Day.*

## Lamb

---

Our lamb is once again sourced from A&D Meats, using farmers from Todmorden & the surrounding areas. Fed & raised on open pastures.

*This year's offerings:*

- **Leg of Lamb**

*An elegant choice with delicious flavours & tender melt-in-your-mouth meat. Perfect for roasting.*

- **Boneless Leg of Lamb**

*A succulent leg of lamb, boned and rolled by our butcher to provide an easy carve option of this perfect roasting joint.*

- **Lamb Shanks**

*For the days following Christmas, our succulent lamb shanks are a simple & easy choice to pop in your slow cooker whilst watching your favourite festive films.*

- **Boneless Lamb Shoulder**

*Succulent lamb shoulder, boned and rolled by our butchers. Perfect for slow roasting.*

## Free Range Pork Loin

---

From the Longthorp Family Farm in Howden. Our pork loin joints are boneless & lean with plenty of meat, very easy to carve & a great choice for cold cuts after Christmas. And not to forget the crackling which let's face it is what everyone wants first!

## Pork Leg Joint

---

Another leaner cut of meat, perfect for the bigger family gatherings & when roasting away in the oven will have everyone eager to tuck in.
